

SOCIETY FOR APPLIED  **SPECTROSCOPY**

Fourth Virtual Student/Early Career SLAM 2026

Thursday, April 9, 2026

@ 12 pm noon EST

[Register here](#) by Friday, March 20 to participate.

Why Should I Participate?

- An opportunity to showcase your research
- Practice giving a brief summary of your research
- Attract attention to your future plans/education
- Pave the way for future collaborations/job search

The Specifics:

- Presentations are limited to 3 minutes... 'Elevator Talk' Style
- [Registration](#) is required by March 20th
- Include talk title, abstract, educational status (High school, Undergraduate, Graduate), or Early-Career (Post-doc, < 5 years post graduation)
- Include your future goals and areas of interest
- Top four presentations will be eligible for travel support to SciX

Sponsored by the Coblenz Society and the Society for Applied Spectroscopy (SAS)
