

## NYSAS GOLD MEDAL AWARD

This coveted award was established in 1952 to recognize outstanding contributions to the field of Applied Spectroscopy. Each year the Gold Medal is presented at a special award symposium, arranged in honor of the awardee, at the Eastern Analytical Symposium held in Somerset, New Jersey.

## PAST AWARD WINNERS

Nominations are sought each year for the Gold Medal Award. This award is presented at a special awards session at the Eastern Analytical Symposium, in November. Nominating letters describing the nominee's specific accomplishments should be submitted along with a biographical sketch in January for consideration.

### PAST WINNERS (1952 to 1987)
